

Emotional Intelligence Certification Programme

Overview

The Genos EI Certification Programme is specially designed to make you the expert in applying Emotional Intelligence (EI) in the workplace. Learn from the region's finest experts who develop and apply Emotional Intelligence with Fortune 500 companies every day.

Format

A two-day facilitated programme that includes:

- Inspirational content
- Participative methods
- Experiential scenarios
- Action planning

Before the course, the programme includes a personal 180-degree EI Assessment and debriefed by a certified Master trainer. After the course, you will be assigned a case study project of your own.

To complete the course and gain certification, you must successfully debrief the results of a sample Genos 360-degree assessment with the Master Trainer. The Genos Master Trainer will act out the character of the sample report. After the session, the Master Trainer will provide feedback, with the ultimate goal of ensuring you are able to apply Genos EI tools effectively and confidently.

Learning Outcomes

You will leave the certification programme with the ability to:

- Design and sell Emotional Intelligence solutions to clients,
- Develop individuals' and teams' Emotional Intelligence by assessing and debriefing their assessment results, and provide practical tools and techniques for applying and being more emotionally intelligent in the workplace
